

TUNDRA BUMPER

2014 TOYOTA® TUNDRA®

BUMPER MOUNT INSTALLATION INSTRUCTIONS

*Lights Sold Separately

KIT INCLUDES

(1) Driver side bracket

(1) Passenger side bracket

IMPORTANT

Thank you for purchasing Rigid Industries' products for your Tundra ® Installation is fairly simple with the right tools and good mechanical abilities. If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through all of these instructions and tips before proceeding with the installation.

Installation of this kit requires cutting of the lower grille. The pieces will not be usable after the installation.

Always disconnect any power sources connected to your vehicle before servicing fuses or electrical systems.

STEP 1

Cut factory grille out of bumper. This can be done with Dremel® tool, air saw or similar item. Line up brackets on appropriate side of the vehicle.

Passenger

Driver

STEP 2

Locate nuts on bumper, remove and set aside as shown in picture below. **ONLY REMOVE THE 2 CIRCLED IN RED.** You will use these to attach the brackets in the next step.

Before:

After:

STEP 3

Now that the existing nuts have been removed, put the bracket in place reusing the same nuts you removed in the previous step. Bracket will sit above the brace behind the bumper. DO NOT torque down nuts, they must remain loose for easy installation of the Rigid Industries light in Step 5.

STEP 4

Repeat steps 2 and 3 for other side.

STEP 5

Mount your Rigid Industries light onto the bracket using the hardware included with the light. This will require a 7/16" wrench.

STEP 6

Once the light is installed and adjusted for appropriate spacing, finish tightening bolts behind the bumper from step 3.

Wire your lights according to the instructions included with the light. Take care to avoid any heat sources and sharp or abrasive surfaces.

Your installation is now complete.

Welcome to the Rigid Nation!

WARRANTY INFORMATION

Rigid Industries warrants that this product will be free from defects in material and workmanship. If you believe your Rigid Industries product is defective, it must be returned to Rigid Industries for inspection by our warranty claims department. If, after inspection, Rigid Industries verifies that the defect was not caused by negligence, abuse, unauthorized repair or disassembly, Rigid Industries will determine whether the product will be repaired or replaced in accordance with Rigid Industries Limited Lifetime Warranty*.

Warranty Periods:

- All LED Lights – Limited Lifetime
- Flashlights – 1 year
- Accessories and Mounts – 2 years
- Batteries – 90 days

Warranty Coverage:

To begin your warranty claim, you must have a Return Merchandise Authorization (RMA) number. To get your RMA number, please contact our warranty department by phone at 480-655-0100 ext. 1008, or by filling out the Return Merchandise Authorization Form on our website.

All of the following will immediately void all warranties:

- Customer negligence – The customer has modified the light and/or is not using it for the recommend application.
- Customer abuse – Damage to the light beyond normal wear and tear.
- Repair work done by unauthorized personnel without Rigid Industries' approval.
- If the light has been opened or any screws have been removed.

All warranties are non-transferable. Warranty terms and policies are subject to change without notice.

*For all information regarding the Rigid Industries' Limited Lifetime Warranty please call 855-760-5337 ext. 1008, email warranty@RigidIndustries.com, or visit our warranty page online at rigidindustries.com/about/warranty.
